Curtin University would like to pay our respect to the indigenous members of our community by acknowledging the traditional owners of the land on which the Perth Campus is located, the Wadjuk people of the Nyungar Nation; and on our Kalgoorlie Campus, the Wongutha people of the North-Eastern Goldfields.

Watch our traditional Aboriginal welcome

Prevention is an important part of a comprehensive harm reduction approach to reduce alcohol and other drug (AOD) harms, particularly amongst young people. Review of risk and protective factors of substance use and problem use in emerging adulthood. Addictive behaviors. 2012 Jul 1;37(7):747-75.

Kristjansson AL, Sigfusdottir ID, Allegrante JP. Adolescent substance use and peer use: a multilevel analysis of cross-sectional population data. Substance abuse treatment, prevention, and policy. 2013 Dec;8(1):27. PDF | A review of Aboriginal suicide prevention programs were conducted to highlight promising projects and strategies. A content analysis of gray | Find, read and cite all the research you need on ResearchGate. A review of nine suicide prevention programs were conducted to highlight promising projects and strategies.
