Lol yeah that really stuck out to me too. Didn't make any sense for her to say that. permalink. Warner Bros. has released the Superman: Man of Tomorrow trailer, and it looks like it's looking like an interesting new style. With the previous continuity of the Animated Universe having wrapped up in Justice League Dark: Apokolips War, a look back at the early early days of the Man of Steel. The story goes: Daily Planet intern Clark Kent takes learning-on-the-job to new extremes when Lobo and Parasite set their sights on Metropolis in Superman: Man of Tomorrow, available later in summer 2020 on Digital, 4K, Blu-ray & DVD. The cast includes: Superman/Clark Kent – Darren Criss (Glee, Ameri Superman: Man of Tomorrow doesn't work as an action film. But successfully depicts Clark Kent's journey to becoming the Man of Steel. August 25, 2020 | Rating: 3/5 | Full Review... Julian Roman. MovieWeb.
the origin of Supes, discovering he's an alien superpower this time while in the midst of fighting Lobo and Parasite, both enough to handle on their own as Superman fans well know. It's interesting enough if kinda stodgy, stiff and erratic, as if told by a newbie storyteller. As ever Supes fights super villains right in the middle of town endangering thousands. A decent enough set-up if more in this vein are following. Kevin M. W Super Reviewer. Superman has a fruitful encounter with Contessa Erica Alexandra del Portenza, the new CEO of Lexcorp, while Lex Luthor gets a new lease on life. Issue(s). Please do NOT spoil content of NEXT issues [Report spoiler]. Do not spam or link to other comic sites. Superman: Man of Tomorrow is effectively an origin story for Superman. Viewers should learn who he is, why he acts as he does, and how those actions are necessary to the world he lives in. While we are given some fine moments in the film to enjoy, that crucial part of Superman: Man of Tomorrow is missing, overall. The characterization between Clark and the Kents is perfectly familial. The interplay between Lois, Clark, and Superman is some of the best since Superman: The Animated Series.
