A special library is a library that provides specialized information resources on a particular subject, serves a specialized and limited clientele, and delivers specialized services to that clientele. Special libraries include corporate libraries, government libraries, law libraries, medical libraries, museum libraries, news libraries, and nonprofit libraries. Special libraries also exist within academic institutions, including law school libraries and medical school libraries. These libraries are Get an overview of professional development options for school librarians, from qualifications through to learning networks and professional reading. Continuing professional development for school librarians can be formal or informal. Options include recognised qualifications or courses, online communities, personal or professional learning networks, and professional reading. Library qualifications and training opportunities. TDSB Professional Library serves the TDSB education community. Please contact professionallibrary@tdsb.on.ca if you have an information request. TDSB Professional Library Contact Us.
