Abstract
This is a comprehensive study of how the administrative powers of the Federal Bureau of Investigation (FBI) have evolved in response to external political forces. To analyze the changes made to FBI administrative powers, this project will assess theories of public administration, bureaucratic politics, various congressional statutes, court rulings, and executive policies that have affected the bureau’s capacity to perform investigations and intelligence operations.

Federal Bureau of Investigation, principal investigative agency of the federal government of the United States. The bureau is responsible for conducting investigations in cases where federal laws may have been violated, unless another agency of the federal government has been specifically delegated that duty by statute or executive fiat. As part of the Department of Justice (DOJ), the FBI reports the results of its investigations to the attorney general of the United States and his assistants in Washington, D.C., and to the United States attorneys’ offices in the country’s federal judicial districts. The Federal Bureau of Investigation (FBI) is embodied with treasonous corruption and deceit, and has long engaged in anti-American tactics and behaviors that serve the interests of an elite few rather than the American people. Ten examples that prove the FBI is treasonously corrupt. The FBI has transformed from a defender of the weak into a malignant force of oppression. Why the founding fathers opposed a National Police Force. The founding fathers foresaw how the federal government could use a national police agency to play favorites, wreak havoc on our democratic institutions, and ultimately The Federal Bureau of Investigation (FBI) is the principal investigative arm of the United States Department of Justice. As a federal law enforcement agency it investigates alleged violations of federal criminal laws governing banking, gambling, white collar fraud, public corruption, civil rights, interstate transportation of stolen property, and elections. The FBI's investigative authority can be found in Title 28, Section 533 of the US Code.
