44 February 10, 2014 Analyze the map on page 126. With your partner, create a list of Greece's geographic advantages and disadvantages. Then, answer questions 1 and 2. Rebuilding Athens 1. Used money from the Delian League’s treasury to rebuild the city after the Persian War 2. Built temples on the acropolis a. Grandest was the Parthenon 3. Built new roads, expanded the port and constructed high walls around the city. 57. 58. 59 iii. Age of Pericles Pericles Elected as one of Athens generals Also a politician Introduced paid public offices and juries Encouraged introduction of democracy into other parts of Greece Commissioned the building of the Parthenon. The Parthenon has suffered mightily. It remained largely intact for nearly 700 years after it was first built, until it was damaged by fire in A.D. 267. It was later turned into a church in the sixth century A.D., which it remained until 1460, when it was converted into a mosque and a minaret was added. In 1687, gunpowder the Turks had stored in the Parthenon exploded when it was hit by Venetian artillery, causing much of the structure to collapse, and severely damaging other sections. And in 1981, a 6.7-magnitude earthquake caused major harm to the northeast corner. For the restoration team, 17 February 2014. The Guardian - Film News. Actor shrugs off London mayor's claim of 'Hitlerian agenda' as 'too much hyperbole washed down with a few whiskies'. George Clooney has dismissed comments made about him by the London mayor, Boris Johnson, as "too much hyperbole washed down with a few whiskies". The actor spoke out after Johnson criticised him for suggesting Britain should return the Parthenon marbles to Greece. Accusing Clooney of losing his own marbles, Johnson claimed the actor was "advocating nothing less than the Hitlerian agenda for Londo Athens Unplugged. 7 November 2014 ·. Related videos.
